Directors Corner

ECDC Families,

Whew! The first half of our school year truly flew by, and I have loved every minute of it. December was especially busy with our Christmas Family Chapel, classroom parties, dress-up days, and a staff White Elephant luncheon.

Throughout it all, the children have learned and grown so much. No matter how many years I am in this field, I continue to be amazed by what they are capable of. I look forward to 2026 and all of the wonderful opportunities it will bring for our school and our staff.

Blessings,

Celebrating December Highlights

Family Christmas Chapel

Celebrating our family Christmas chapel was a special way to slow down and enjoy the season together.

Families gathered to sing familiar carols, listen to the Christmas story, and reflect on the joy and hope that

Christmas brings. It was a warm, meaningful time that reminded us how special it is to share traditions, faith, and togetherness during the holiday season. We are so thankful for each and every one of our ECDC families.

Christmas Parties

Classes had a great time celebrating their Christmas parties together.

Students enjoyed festive treats, fun games, and lots of laughter as they shared the holiday spirit with classmates and teachers. It was a joyful way to wrap up the season and make special memories together.

Special thanks to our parent volunteers who helped make this day memorable for the kiddos!
