Directors Corner

Our school year is in full swing, and the children are settling into a wonderful rhythm of learning and fun. We've already enjoyed our first chapel and an exciting visit from the fire truck! Fall brings cooler weather and lots of adventures—pumpkin patch trips, a festive costume parade, and the start of our Fun Friday classes in October. We can't wait to share these special moments with our preschool families!

Blessings,
Amanda Fasullo

September Highlights

First Week of School

Our first week of school at ECDC was filled with excitement, smiles, and lots of learning! The children spent time getting to know their teachers, exploring their classrooms, and making new friends. We focused on building routines, learning classroom rules, and creating a warm, welcoming environment for everyone. From story time and songs to arts and crafts, each day was full of joyful moments. We're off to a great start and can't wait to see how our little learners continue to grow this year at ECDC!

First Chapel of the School Year

Our first chapel of the new school year was a sweet one! Ms. Amanda shared the story of Noah and the gathering of two of every animal before the big flood. The children learned about God's promise to always be with us and keep us safe. We also celebrated our friends who had birthdays and made their special day extra sweet! We loved learning about God's love together!

Fire Truck Visit

ECDC had a very special visit from our local firefighters! The children were thrilled to see a real fire truck up close and learn about the important work firefighters do to keep our community safe. The firefighters talked about fire safety, showed us their gear, and even let the kids explore the truck. It was a fun and educational experience! We're so grateful to our brave visitors for taking the time to teach and inspire our young learners!
